

Field Ready Türkiye Humanitarian Principles

1. Ethical Supply Chain:

- Ensure that our supply chain is ethically sourced, with a focus on fair labor practices and environmentally responsible suppliers.
- Conduct regular audits and assessments of suppliers to ensure compliance with ethical standards.

2. Diversity, Equity, and Inclusion (DEI):

- Integrate diversity, equity, and inclusion principles into our organizational culture and practices.
- Promote a diverse and inclusive workplace that reflects humanitarian values.
- Foster a workplace environment that values and respects diverse perspectives, backgrounds, and experiences.
- Implement policies and initiatives to address systemic barriers and promote equal opportunities for all staff members.

3. Neutrality, Transparency and Accountability:

- Emphasize the organization's commitment to neutrality when engaging with local communities ensuring impartiality and non-partisanship.
- Demonstrate transparency in our operations, including financial transactions and decision-making processes.
- Establish mechanisms for accountability, including feedback mechanisms and grievance procedures, allowing stakeholders to hold the organization responsible for its actions.

4. Accessibility and Inclusivity:

- Ensure that our products, services, and information are accessible to people of all abilities, including those with disabilities.
- Consider the needs of vulnerable populations in our business practices.
- Conduct accessibility assessments of our facilities, events, and digital platforms to identify and address barriers to access.

5. Environmental Stewardship:

- Integrate environmentally sustainable practices into our operations, including waste reduction, energy efficiency, and carbon footprint reduction initiatives.
- Consider the environmental impact of our activities, especially in vulnerable regions, prone to ecological degradation and climate change.
- Collaborate with local communities and environmental organizations to promote conservation efforts and sustainable resource management practices.
