

To whom it may concern,

I am pleased to write this letter of recommendation for Field Ready Türkiye Organization. Our collaboration with them commenced when they joined as a project partner in Northwest Syria.

Throughout our partnership from 2022 to 2023, as part of our Rural Rehabilitation Initiative (Syria ILRS III Program), Field Ready Türkiye consistently demonstrated a very good level of commitment and efficiency in their role as an implementing partner.

Field Ready Türkiye's dedication and efficiency were evident in their execution of the project, successfully carrying out all necessary activities to our satisfaction. Their proactive approach and attention to detail played a pivotal role in achieving the project's objectives and milestones.

Should you require further details or wish to delve deeper into their contributions, please feel free to reach out.
